WARCRAFT

From Legendary Pictures and Universal Pictures comes *Warcraft*, an epic adventure of world-colliding conflict based on Blizzard Entertainment's global phenomenon.

The peaceful realm of Azeroth stands on the brink of war as its civilization faces a fearsome race of invaders: Orc warriors fleeing their dying home to colonize another. As a portal opens to connect the two worlds, one army faces destruction and the other faces extinction. From opposing sides, two heroes are set on a collision course that will decide the fate of their family, their people and their home.
