## SING

Illumination has captivated audiences all over the world with the beloved hits *Despicable Me*, *Dr. Seuss' The Lorax*, *Despicable Me 2* and *Minions*, now the second-highest-grossing animated movie in history. Following the release of this summer's comedy blockbuster *The Secret Life of Pets*, Illumination presents *Sing* this holiday season.

Set in a world like ours but entirely inhabited by animals, *Sing* stars Buster Moon (Matthew McConaughey), a dapper koala who presides over a once-grand theater that has fallen on hard times. Buster is an eternal—some might even say delusional—optimist who loves his theater above all and will do anything to preserve it. Now faced with the crumbling of his life's ambition, he has one final chance to restore his fading jewel to its former glory by producing the world's greatest singing competition.
